¹ Registered optometrists with a scheduled medicines endorsement must be familiar and comply with the current requirements in the jurisdictions in which they practice. Advice on the legal requirements in a particular state or territory may be obtained from the relevant authority found at www.tga.gov.au/contacts-stateterritory-drugs-poisons-units. For the safe and effective use of a medicine, endorsed optometrists must also be familiar with TGA approved indications found in the product information. The product information may be found at www.ebs.tga.gov.au.
